

VINGA
SWEDEN

CARE & USE

Thank you,
for choosing Vinga.

We hope that you will be happy
with your new salad servers.

Wash and dry

Wash wooden servers with a bit
of soap, rinse in hot water, wipe
clean, and allow to dry upright.

Do not wash in dishwasher.

Oil

Once a month apply a small
amount of mineral oil or beeswax,
rubbing with a lint-free cloth in the
direction of the wood grain. (Wal-
nut oil, almond oil, and pure tung
oil are good alternatives, but stay
away from olive or vegetable oils,
as they turn rancid quickly.) Reap-
ply until the wood stops absorbing
the oil. Wipe off excess and dry
overnight.
