

VINGA

SWEDEN

CARE & USE

Thank you, for choosing Vinga.

We hope that you will be happy
with your new item.

Wash and dry

Wash wooden items with a bit of
soap, rinse in hot water, wipe clean,
and allow to dry upright.

Do not wash in dishwasher.

Oil

Once a month apply a small
amount of mineral oil or beeswax,
rubbing with a lint-free cloth in the
direction of the wood grain. (Wal-
nut oil, almond oil, and pure tung
oil are good alternatives, but stay
away from olive or vegetable oils,
as they turn rancid quickly.) Reap-
ply until the wood stops absorbing
the oil. Wipe off excess and dry
overnight.
